

6th Year Junior Birder Checklist

All 6th Year Junior Birders must complete all of the following requirements. As you complete each requirement, ask a leader at the station to sign the checklist.

Use the note pages within your Jr. Birder Notebook to record what you learned at each station. You must have at least three facts and one drawing/sketch of what you learned from each station recorded within your notebook!

Share your photos and drawings by uploading them to the link provided at the Kachemak Bay Shorebird Festival website under the Jr. Birder tab. These will be showcased during the Jr. Birder award ceremony.

- 1.** Attend the Kachemak Bay Birding Discovery Lab at the Islands and Ocean Visitor Center on Saturday. Wear a badge to identify yourself as a 6th year birder and assist with one of the stations at the Discovery Lab. Upload picture of yourself at the event with your “Murrey the Murrelet”
